Video introduction

Let's Design

\$4.00/hr

I am a graphic designer with 8 years of experience in the graphic design industry. I specialize in creating sublimation jersey designs, along with a wide range of other graphic materials such as infographics, logos, and banners. My primary tools are Adobe Photoshop and Illustrator, and I am adept at adapting to any design style or requirement. With a strong foundation in visual design and a keen eye for detail, I am confident in my ability to deliver high-quality, impactful designs that meet and exceed client expectations.

Custom Yellow Digital Art from Photos - Ready to Start Now

Illustration Posted Dec 12, 2024

We can't use entire AI generation for the digital drawing! Please only cartoonists / designers and freelancers who are able to digitally draw. Using built in tools that use AI technology like Canva is allowed, but the digital drawing has to be done by human artist.

We are seeking talented artists to... [more](#)
